

ANNUAL ACTIVITY REPORT OF THE AUDIT AND RISK COMMITTEE OF AMREST HOLDINGS, SE FOR FINANCIAL YEAR 2024

1. INTRODUCTION

In accordance with the provisions in the internal regulations of AmRest Holdings, SE ("**AmRest**" or the "**Company**") and so that the Board of Directors may supervise the correct functioning of the Audit and Risk Committee (the "**Committee**"), pursuant to Article 6.1.(v) of the Regulations of the Board of Directors and Article 529 nonies of Legislative Royal Decree 1/2010 of 2 July, which approves the consolidated text of the Spanish Capital Companies Act (*Ley de Sociedades de Capital*) ("**Companies Act**"), this Committee prepares this report on its performance.

This report, in reference to the activities developed by the Audit and Risk Committee during 2024, will be available to shareholders and investors via the Company's website (www.amrest.eu) as of the call to the Ordinary General Shareholders' Meeting.

This report has been prepared in compliance with recommendation six of the Code of Good Governance of listed companies published by the Spanish National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) ("**CNMV**") in the year 2020, and its content is consistent with the recommendations of the Technical Guide 1/2024 of the CNMV on Audit Committees of Public Interest Entities.

2. REGULATIONS OF THE COMMITTEE

In addition to the provisions of the applicable legal regulations and good governance recommendations, the rules of organisation and operation of the Audit and Risk Committee of AmRest are recorded in the Regulations of the Board of Directors and in the Regulations of the Audit and Risk Committee of the Company. Both documents are available on the Company's website (www.amrest.eu).

3. COMPOSITION OF THE COMMITTEE

Articles 20 of the Regulations of the Board of Directors and 11 of the Regulations of the Audit and Risk Committee establish that this Committee must be composed of a minimum of three and maximum of five directors, appointed by the Board itself from among its non-executive directors, the majority of which must be, at least, independent directors.

Likewise, these articles establish that the members of the Committee as a group, and especially its Chairman, shall be appointed taking into account their knowledge and experience in accounting, auditing and risk management, both financial and non-financial; and that, also as a group, the members of the Audit and Risk Committee shall have relevant technical knowledge in relation to the Company's sector of activity.

The Chairman of the Audit and Risk Committee (the "**Chairman**") must be an independent director and will be replaced every four years. The Chairman cannot be re-elected until a minimum period of one year has elapsed since leaving office.

At year-end 2024, the Audit and Risk Committee was composed as follows, with no change through the date of issuance of this Report:

- Ms. Mónica Cueva Díaz (Chairman), external independent director of AmRest since July 1, 2020. She was appointed Chairman of the Committee on August 21, 2023, replacing the former Chairman, Mr. Emilio Fullaondo Botella, after the term of four years had expired since the appointment of the latter as Chairman of the Committee.
- Mr. Emilio Fullaondo Botella (member), external independent director of AmRest since 14 May 2019.
- Mr. Pablo Castilla Reparaz (member), external independent director of AmRest since 5 October 2017.

Mr. Eduardo Rodríguez-Rovira, non-director Secretary of the Board of Directors, holds the post of Secretary of the Audit and Risk Committee in accordance with the Regulations of the Board of Directors, while Mr. Mauricio Gárate Meza, non-director Vice-Secretary of the Board of Directors, holds the post of Vice-Secretary of the Committee.

As a result, the composition of the Committee in 2024 is in line with the requirements of the Companies Act, the Regulations of the Board of Directors and the Regulations of the Audit and Risk Committee. This is due to the fact that it is composed exclusively of non-executive directors appointed by the Board, all of whom are independent, including the Chairman who is also an independent director.

All information concerning the members of the Audit and Risk Committee, including their professional and biographical profiles, is available on the Company's website (www.amrest.eu).

Considering the professional and biographical profiles, the composition of the Committee is diverse in terms of gender, professional experience, competencies and personal abilities, and its members enjoy the knowledge, skills and experience necessary to carry out their duties, and, as a group, its members have the required technical knowledge related to AmRest's sector of activity.

4. MEETINGS HELD BY THE COMMITTEE AND THEIR CONSTITUTION DURING 2024

In accordance with the provisions of the Regulations of the Board of Directors and of the Regulations of the Audit and Risk Committee, the Committee meets whenever it is called to meet by resolution of the Committee itself or its Chairman, who must call a meeting when the Board of Directors or its Chairman requests the issuance of a report or the presentation of proposals and, in any case, when it is convenient for the proper performance of its duties. The Committee shall also meet when so requested by at least two of its members.

The Committee must meet at least four times per year. One of its meetings is specifically used to draw up the financial information that the Board must approve and include within the annual public documentation. The Committee also meets on the occasion of each date of publication of interim financial information.

The Audit and Risk Committee is validly quorate when the majority of its members are present, either in person or by proxy, and adopts its resolutions by the absolute majority in attendance, whether in person or by proxy.

During 2024, the Audit and Risk Committee met on ten occasions. Therefore, it has met with the frequency necessary for the correct performance of its functions.

Regarding the degree of participation of each of the members of the Committee in the meetings held during 2024, all the directors attended in person (attendance by proxy is not computed for these purposes) all the meetings held.

In general, Committee meetings included the presence of the members of AmRest management and, on some occasions as needed, with the presence of statutory auditors. The above persons attended the meetings when invited by the Committee and their presence was limited to discussing the items on the agenda for which they were called, and no persons outside the Company being present in any case at the decision and voting phase of the meetings.

Thus, during 2024, the partners representing the Company's statutory auditor (who is also the verifier of the Company's sustainability information), PwC Auditores, S.L. ("**PwC**"), attended five formal meetings of the Committee (two of which were held without the presence of the management team and the Executive President) to (i) inform about the annual financial report 2023, (ii) inform about the relevant risks in relation to business continuity, (iii) inform about the audit process to be carried out during 2024, and (iv) inform about the accounts audit process of the first half of 2024. PwC also made a presentation to the Committee on the Corporate Sustainability Reporting Directive (CSRD).

Likewise, the Chief Financial Officer regularly attended all the meetings of the Committee to participate in those matters within his competence, upon invitation by the Chairman of the Committee. In addition, on several occasions, Committee meetings included the presence of the chief internal audit and control officer (attending four meetings), the chief risks and compliance officer (attending four meetings), the global controller (attending six meetings), the chief Group's tax officer (attending five meetings), the chief investor relations and strategy officer (attending four meetings), the chief information technology officer (attending three meetings), and members of the legal team to coordinate the work and monitor the projects,

limiting their attendance in all cases, as mentioned above, to those items on the agenda in relation to which they were called.

Finally, since the Audit and Risk Committee and the Sustainability, Health and Safety Committee have two directors shared (out of the three directors that form part of each of the committees), Ms. Romana Sadurska, Chairman of the Sustainability, Health and Safety Committee, has attended three meetings of the Audit and Risk Committee, thus ensuring proper coordination between the two Committees in the process of preparing and drafting the information on sustainability.

With regard to the preparation and development of meetings, the Chairman of the Committee calls the meetings with proper advance notice, except when, for reasons of urgency or timeliness, the meeting is to be held on a universal basis. In addition, the members of the Committee are provided with information on the matters to be dealt with prior to each meeting, encouraging their active participation and informed adoption of resolutions.

The Secretary has drawn up the relevant minutes of all meetings held, reflecting in these the development (including entry and leave of participants), content, deliberations and resolutions adopted in the meetings. The minutes of the Committee are available to both its members and the members of the Board of Directors.

Therefore, the Committee exercises its functions independently and complies with the rules of operation established in the Articles of Association, the Regulations of the Board of Directors and the Regulations of the Audit and Risk Committee, organising itself in a correct and efficient manner for the performance of its duties.

Finally, relations between the Audit and Risk Committee and the Company's Board of Directors are based on the principle of full transparency. In this regard, the Chairman of the Committee reports to the Board of Directors on the main issues discussed and the activities and work performed by the Committee, so that it is made aware of such actions for the exercise of its powers, and, when necessary, proposes to the Company's Board of Directors that any appropriate resolutions be adopted.

5. FUNCTIONS AND DUTIES OF THE COMMITTEE
